## Projects, Courses

2022, Jun. **LEA MUN**, I had the opportunity to participate in simulation of a United Nations session as a delegate of People's Republic of China, "General Assembly".  
  
Certificate:  
<https://github.com/VukasinVulovic/certificates/blob/main/Certificate%20of%20participation-Vukas%CC%8Cin%20Vulovic%CC%81.pdf>  
Role: Delegate

2022, Jan. **Programming course**, I attended a JavaScript, HTML, CSS and Python and course in "Dečiji Kulturni Centar Majdan".  
This course was my first experience with programming, which ignited the love for programming and the IT field.  
Role: Student

2021, Jul. **Internet Safety is easy as ABC**, I took part in the project "Internet Safety is easy as ABC", where i exhibited my knowledge in the field of cyber security.  
I presented my computer virus, which I created for educational purposes, in front of 80 other participants from other projects.  
  
Certificate:
